Yes  No

Name

Signature  Date

**Declaration**

I acknowledge and confirm:

1. That the information I have provided in the form is true and correct.
2. That either: (a) the small renewable energy system has been approved by Western Power and connected to Western Power's electricity network; or (b) if the small renewable energy system has not been so approved and connected at the time of this application during the period 19 May to prior to 5.00 pm (western standard time) on 14 October 2011, the system will be approved by Western Power and connected to Western Power's electricity network.
3. I authorise Synergy (if required by Synergy) to verify system installation with state and/or federal government agencies and entities.
4. I have read, understood and accept Synergy's REBS terms and conditions and agree to be bound by those terms and conditions.
5. That if I am renting the premises where the system is installed, I have the owner's consent to apply for REBS.
