

Renewable Energy Buyback Scheme (REBS)

Price Schedule

Applicable to existing SWIS customers only

– 1 July 2024

Acknowledgement of Country

Synergy acknowledges the Traditional Owners of the Land on which we operate and their continuing connection to the land, water and community. We pay our respects to all Aboriginal and Torres Strait Islander communities, their cultures and to Elders past, present and emerging.

Fees and charges

Renewable Energy Buyback Scheme Administration Fee:

\$12.32 per account (inclusive of GST)

Metering costs to switch to the Renewable Energy Buyback Scheme

A compatible meter is required and applicable metering fees may apply if you switch to REBS.

Meter upgrade fee	\$105.93
Meter reprogram fee^	\$106.92

All metering costs quoted above are inclusive of GST.
^Existing compatible meters may be reprogrammed to comply with the Renewable Energy Buyback Scheme (this will incur a Meter reprogram fee). If you are unsure or wish to confirm your meter type, please call Synergy on 13 13 53.

Communications equipment installation (if required)

Western Power may require communications equipment to be installed on the meter at an additional charge.

Prices are correct as at 1 July 2024.
Prices are subject to change at any time.
Meters are not transferable to any other property.
Meters are and remain the property of the network operator, Western Power.
