

- ✦ All prices quoted are correct at 1 July 2021. Prices are subject to change at any time.
- ✦ The meter is not transferable to any other property. The meter stays where it is installed, even if you sell the property and/or move. The meter always remains the property of the network operator, Western Power.

Renewable Energy Buyback Scheme

Net Feed-in Tariff price schedule
SWIS customers only - 1 July 2021

[synergy.net.au/REBS](https://www.synergy.net.au/REBS)

Fees and charges

Renewable Energy Buyback Scheme Administration Fee:

\$21.90 per account (inclusive of GST)

Metering costs to switch to the Renewable Energy Buyback Scheme

Meter Upgrade Fee	\$95.70
Meter Reprogram Fee [^]	\$95.70

All metering cost rates quoted above are inclusive of GST.

Communications equipment installation (if required)

Additional charges may apply in situations where Western Power deems it is necessary to install communications capability on the meter to take the required meter readings.

[^]If you already have an existing compatible meter your meter can (for the Meter Reprogram Fee) be reprogrammed to switch to the Renewable Energy Buyback Scheme. If you are unsure or wish to confirm your meter type, please call Synergy on 13 13 53.
